Dear Mr. Bozman,

I would like to take this time to let you know how very much we appreciate the commitment and excellence of your entire staff.

We are a sheet supplier and many of our customers place their orders electronically, but more importantly they require advanced shipping notices for every order. We rely on their expertise to save us the need to add staff to make our supply chain perform as well as the seamless implementation of EDI to continually meet our customer's ever changing requirements.

We outsourced this entire business to Intervan several years ago and have been extremely satisfied with the service provided.

Sincerely,

Amy Ferguson
Office Operations Manager
